- N.C.C.- 'Certificates with rank "Corporal"'

## Portfolio

<https://rohitha.me/>

I'm currently an undergraduate in 3rd year following BIT (Hons) in Networking and Mobile Computing. I'm passionate about Mobile application development. As of now, I have a good understanding about major concepts of software development such as Data structure and algorithm, OOP concepts, Human-computer interaction, SDLC and etc. I'm always curious about new technology and I'm very eager to learn them in order to become more adaptive to every situation.

## Project

### The Music Hub (Artist hiring app)

- Language- Java, My SQL
- Environment - Windows
- Repo - Quiz-app

### Q&A Quiz App

- Language- Java, My SQL
- Environment - Windows
- Repo - The-Music-hub
